## Today's Scripture

Genesis 1

### Central Truth

God made everything in six days,  
rested on the seventh, and said it  
was good.

## Pray Together

Thank You, God, for making  
everything good. Thank You for  
making me, too! Amen.

## Talking point

Ask your child: **“What did God make this week that you think is good?”**

Look out a window together or point to something in your home—like a pet, a flower, the sky, or even your child—and say, “God made that, and He said it was good!” Remind them that God made everything because He loves us and takes good care of us.

YOUNGER KIDS (K5-2ND GRADE):

God made the world and gave it everything  
it needed.

OLDER KIDS (3RD-5TH GRADE):

God is eternal, and He created everything  
with order and purpose.

## Activity

Each day this week, look for **one thing God created** (a sunrise, a tree, an animal, the stars, your own breath) and thank Jesus for it. This helps kids see that the God who created everything is also the God who loves them and gives life meaning.

## Talking point

Ask your child: “**What is something in creation that shows you how powerful and creative God is?**”
