

BRUSHY CREEK MISSION PARTNERS

LEAST OF THESE MINISTRY PARTNERS

At Brushy Creek, we love and support international and North American missions by regularly partnering in the Lottie Moon Christmas and Annie Armstrong Easter Offerings respectively. Additionally, we partner with specific families and church plants across the globe.

In the upstate, Brushy Creek partners with many local ministries to meet needs, serve others, and ultimately proclaim Jesus. We call these ministries our 'Least of These' ministry partners. This is because they each seek to love and care for those who may go unnoticed or neglected, following the words of Jesus in Matthew 25:40-45.

In our context, we practice missional living in and through group life. At Brushy Creek, each group has one or multiple 'Least of These' partners who they regularly serve and partner with. This may be helpful in discerning where you want to join and serve.
